INTRODUCTION

Hiddenynms are poems that have a hidden message in them. Finding the hidden message is simple. Just take the first letter of the first line, then the second letter of the second line, then the third letter of the third line, and so on to the last letter of the last line... thereby revealing the hidden message within each poem or hiddenym. For example:

Wisdom,
Finds one.
In truth,
We share,
A divine,
Reason.

“W” is the first letter of the first line, “I” is the second letter of the second line, then “T” is the third, “H” being the fourth of the fourth, another “I” as fifth and finally “N” being the sixth letter of the sixth line... which spells “within.”

DEDICATION

This booklet of hiddenyms is gladly dedicated to the world's most beautiful creations of family and friends that have provided the inspirations and love for being able to write such poetry; most especially my children. This hiddenym is for all of you:

In all times,

**I'll be there,
As one who,
Is ever as,
A friend true.**

**The way is,
A way from,
And to you.**

Each of the following pages has a separate hiddenym, enjoy discovering the hidden messages within all of them.

SINGLE WORD HIDDENYMS

**Being one,
We are one,
In love,
In light,
We seek,
His love,
To shine.**

**Being Love,
We are Love,
To live,
In joy,
As Love,
Becomes,
Entwin'd.**

**Giving thanks,
From within,
Heart and soul,
You can,
Be one.**

**Praying,
Seeking,
Sharing,
We accept,
Grace.**

**Allow truths,
Ecstatic state,
To clearly show,
Love is the key,
To hopes chest.
As Faith grows,
In my heart,
We can honestly,
Authentically,
Share a love.**

**Even now,
A miracle,
Is alive,
As one is,
With us,
Forever,
With all.**

**Hope can be,
Saying that,
Hope exists.
Let peace,
Be a divine,
Gift knowing,
God accepts,
And loves,
All that is.**

**Tell me,
Or not,
You are,
Blessed,
For it.**

**Wisdom,
Finds one.
In truth,
We share,
A divine,
Reason.**

**Angels,
Abound,
In loves,
Solution.
Help them,
By believing,
Their love,
To remain.**

**As we see life,
Often changing,
Unfolding now,
Beginning to,
End from here,
As from there,
We must accept,
To be that we,
Are only His,
Created shown,
A reflection.**

**Always be,
A true friend,
In times when,
A friend is,
Upset or,
Needs us,
To stand by,
With love.**

**Born to love,
We grow old.
What we need,
To question,
As we travel,
This life of,
Love is fair,
To ask truly,
Who's my all?**

**Come and join us,
We are all friends,
To live and love,
We become one.
We embrace a gift,
To share with all,
Theophany now.
In God we trust,
As exceedingly,
When we rejoice in,
His creation.**

**Cherish,
The one,
That is.
To know,
At once,
Is love.**

**Dream and,
Wish upon,
That star,
From above,
But love is,
To thank,
A friend.**

**For one,
Ray of,
Shining,
Little,
Truth.**

**Grace to all,
From God is,
Thanking,
Whatever,
The gift of,
Spirit gives.
Thankful,
We are Gods,
Gifts to be.**

**I wish you,
Knew how my,
Life has,
Beginning,
And ending,
With time,
And Faith,
For today.**

**Patience,
Allows,
Us enough,
Pleasure,
To wish it,
Be true.**

**Remember when,
We used to live,
Life and dream,
Of a love true?
With each day,
We reach for,
The next day,
Only to find,
That we know,
The best is now;
A love always.**

**Silence,
Opens it,
Be in it.
Seer of,
What iz,
Love it.**

**So happy,
Just being,
Funny and,
Blessed with,
A wish comes,
True living,
In moments of,
Gods Love.**

**Solemn sounds,
Awhile then,
I hear silence,
As peace in,
All eternity.
She is here,
With me eternal,
A flower and,
Being ever,
A pure heart.**

MULTIPLE WORD HIDDENYMS

**Feelings we all have,
For this and for that.
Our love shows the way.**

**What do we live for?
And where are we now?
Here being alive.**

**Living loves lessons,
Why and how come, God?
Is what living is.
Live as life unfolds.**

**Ask the reason why,
Why? Because of love.**

**Be cause of the grace,
Be the cause of love,
Be the cause of God.**

**Feel the magic,
Sound of love,
Surrounding us.**

**To be a part,
Is never apart,
Is never alone,
But ever one.**

**So we become,
A one for one,
As I believe.**

In all times,

**I'll be there,
As one who,
Is ever as,
A friend true.**

**The way is,
A way from,
And to you.**

**I love you all,
And pray for peace.**

**We gather as one,
For one and all,
To God, to love.**

**We know inside,
Of our hearts.**

**We know it now,
We can hear it,
We need our unity,
We have your sign,
"In God We Trust."**

**Look inside yourself,
To find what is hidden,
Be vigilant all ways,
And enjoy the vision.**

**See within the question,
The message is there.**

**And what is the question,
You ask where and why,
What answer am I?**

**Can the answer "to be",
"Be" as simple as that,
"Be" the answer you find?**

**Where is together?
Why search for love?
Become that "Be" comer,
"Be" an answer to love.**

**Only now We,
Understand it,
As each unites.**

**A gift given,
From our self,
To God reveals.**

**Come to one,
Come to know,
Truth as We.**

**Once upon,
A now time,
A here time.**

Our Love,
Is where IT is.**

Within and without.**

I hear with an ear,
Hear, "WE ARE ONE."**

We are here,
We are now,
Space and time,
All becomes one.**

**This moment is,
The atonement.**

**What do we do?
Accept it all,
Truth is our way,
Love is the start,
Of God's breath.**

**Thank God for one and all,
When we seek and we find,
Even though once were blind.**

**We gather in God's grace,
Beginning to the end,
Beings to be a friend.
Who can? Who is? I am,
A friend ever anon.
With love real love belongs.**

**Now is the circle here,
With an ear as in hear.**

**The now is all we have.
To know now is without,
A simple wee letter.
Once from a together,
There was nothing in time.
We are Gods seed sown.**

**Together we see,
Together we are.**

**We give to receive,
The one true love,
That dawns within.**

**Belief is rare,
Liars are common,
What is wisdom?
A few will endure,
Few will find,
The one is God,
Love is no lies.**

**Unambiguously we,
Endeavor again,
Owing thanks to God.
The thanks to be,
Now, here, alive,
A love divine.**

**God knows us now,
God can hear us.**

Now we will trust,
Here we can dance,
And the Golden Rule,
Is the ode of God.**

Versus react.**

Just and sweet,
Each breath is heaven,
As the day we meet.**

That a wish comes true,
Ask carefully,
Then dare to dream,
Dare to obtain.
With love and Faith,
We are the dreams,
For each to wish,
A dream it seems.**

And hear His call,
To act out of love.**

A Love forever,
A time and space,
Where now we see.**

To share a love.**

**And with love we,
Find insight to,
Gods place here,
With all children.**

To birth returning.**

**Once upon a day,
A time will come,
When Faith finds,
Gods way is love.**

**When does now,
Become here?**

**Hear with an ear,
We trust in God,
His peace to be.**

**Our heart is one,
A love alive,
Now and always.**

**Here the now,
Is in knowing,
In God we love.**

**From the beginning,
Our love is born.
Forever it will grow,
All the days and nights,
Whether it is one,
Or two eternities;
We will realize it.**

**It can be realized,
Because we can see it.
We can feel fraternity,
Pressuring love to be it.
So what is love being?
What is a “love” acting?
What is “a” love acting for?
The chance to be life!
The chance to be alone!
All plus one, alone; one!
One with God, alone; yes!**

GREETING CARD HIDDENYMS

**Having feelings of love,
Maketh life's book so fine.
A special day for each to,
Keep within is when this,
Story did first begin.**

**In the beginning of our,
Human life, all was so,
New and crystal clear.
Between eternal seas,
We travel this road,
Alive towards last but not,
Least the final page of,
An entire story of life.**

**So with love must all life,
Exist, allowing love it's being.**

**Our life comes only once,
So whether it's long or short,
Enjoy this day for you.**

Be a place,
For each of our,
Hearts to roam.
Every day begins,
To reach its end,
So another dawn can,
Break through.

Meanings so that nothing,
Is left to shame.
May each day be a new,
Day to enjoy this.**

**Have patience with the one you love,
Take your time if you really care,
Appreciate what life brings to you,
And pray that God is always there.
Every day is a beautiful day,
For sharing with you my friend,
The things that seem so far away,
Are all in the palm of your hand.
In the beginning of our relation,
I prayed devoutly to be yours and,
I know in my heart that I love you,
Then please try to understand.
That happiness is growing together,
And with love I have to say,
I want nothing more than,
To be with you today.**

**Touched by,
The kindness,
Grateful,
For now,
Love knows.**

**Live by it,
Doing for it.
I love you.**

Have to share like now,
Hoping wishes come true,
For peace and love to be,
Everywhere we dream of?**

**One love can create it,
When it answers the call,
To be one love for all.
When two hearts are one,
They call on and on anon,
Apart and as together,
Until the day is right.
They are heaven on earth,
For all to see one love,
Of Faith is the answer.**

**THANKING
THE LORD
IN EVERY**

**GIVEN
MOMENT
I SPEND**

**People say they know many things,
We don't know everything.
Within their answer lies,
But everyone is blind!
They rarely begin to see, yet,**

**We all want to see.
Our patience is very short,
But we will never understand,
And we will never yield.
Within their answer lies,
Impatience and blindness!
If you know so many things,**

**What is it good for? Knowledge?
Is knowledge our root to wisdom?
Nobody can be sure, but,
What good is wisdom?
Except the goal of all goals,
An infinite reflection of,
The Great Realm within.**

POST SCRIPT

Thank you for taking the time to read and decipher the hiddenynms in this little book. Wishing you all the best and just hoping, as poets do, that it may help in some small way by touching one life that in turn can help another and so on anon. To end, here is just a simple poem:

**Seek and ye shall find,
The answer is within,
With peace in our mind,
Our love is sure to win.
And thanks be to God,
For giving us this day,
To share with our friends;
Acceptance is the way.**
